

GLOBAL LYTE CODE OF ETHICS

1. Global Lyte will fulfill our obligations to our clients in a competent and knowledgeable manner and with complete honesty.
2. Global Lyte performs in faithfulness at all times for our clients and maintains confidentiality; we avoid conflicts of interest whenever possible, addressing unavoidable conflicts in a professional manner.
- 3. We will provide all pricing with the intent to protect the interest of our clients with the objective to make a fair and simple profit to establish the business and it's employees. We will not become involved in price fixing or receive paybacks and/or compensation for the particular use of products.**
4. We strive to adhere to all established codes and standards relevant to the products and services we provide. We do not attempt to misuse codes and standards, or the process by which these codes and standards are created.
5. We strive to follow all instructions established by the manufacturers of the products we provide or service.
6. We will analyze the needs of our clients and completely and professionally, and make honest recommendations to fulfill those needs based on all available information.
7. We strive to warn of any condition we notice that may affect the safety, health, and well being of our clients, their property, and their employees.
8. We will keep confidential and will not exploit the business information, project information, or trade secrets of our clients.
9. We will conduct ourselves in a dignified and professional manner. We will admit our own mistakes when proven wrong. We will not misrepresent or alter the facts in an attempt to justify our decisions.
10. We recognize that we are invited to our clients' facilities and will conduct ourselves in a safe and professional manner. We will treat our clients' goods and property with the highest regard.
